INTRODUCTION

This handbook is designed to inform students of the policies and procedures of Hickory High School. This information is intended to help students become effective citizens of the school community. Students are encouraged to participate fully in the academic, social, and athletic activities within the school. Success in school, as in life, is directly proportional to a person’s effort.

STATEMENT OF PURPOSE

It is the policy of the Chesapeake Public Schools to encourage student conduct that will promote good health, reasonable standards of behavior, effective citizenship, and a favorable atmosphere for learning. Students on school grounds or in places under school jurisdiction are required to abide by the rules, which are established to achieve these objectives. Admission to the schools of Chesapeake requires that the student conduct himself as a responsible member of the school community. The student will obey the law, adhere to the policies of the school system, and comply with rules and regulations implementing these policies. The student is required to safeguard the property of the school and to respect the rights and privileges of others in the school community.

Each student is required to accept responsibility for his own conduct. In accord with this policy, the School Board has approved and the Administration shall implement rules, regulations, and procedures contained in this handbook. When a violation of these rules occur, the school officials are authorized and obligated to take appropriate action designed to insure more responsible behavior on the part of the student. When violations of the laws of the United States, The Commonwealth of Virginia, and the City of Chesapeake are involved, the school officials may refer such matters to parents, legal guardians, or appropriate civil authorities.

MISSION STATEMENT

The mission of Hickory High School is to prepare all students with the knowledge and skills needed to become productive, responsible, and innovative members of the global community by providing a quality education and extra-curricular activities within a safe learning environment through partnerships among parents, teachers, and community.

PARENT TEACHER STUDENT ASSOCIATION (PTSA)

The Hickory High School PTSA is an organization of parents, teachers, students and other interested people in the communities served by the school. The PTSA is interested in the welfare of all youth. Membership dues are $7.00. Visit www.hickoryhawks.com for the 2017-2018 PTSA meeting schedule and event calendar.

ALMA MATER

Singing we do implore Hickory High School evermore,
With teal, gray, black and white, Hickory High School show your might.
Our Alma Mater guide with spirit and with pride
Where mighty Hawks do soar, mighty Hawks forever more!
Hickory High School has joined many other Chesapeake public schools in adopting the Positive Behavior Intervention and Supports (PBIS) initiative. The purpose of this initiative is to support positive academic and behavioral outcomes for all students. The program is based on extensive research and utilizes a preventative and proactive approach to discipline that reduces the amount of time spent dealing with office referrals, thereby increasing time spent on teaching and learning.

PBIS supports the goals identified in both the Hickory High School and the Chesapeake Public Schools mission statements:

The mission of Hickory High School is to prepare all students with the knowledge and skills needed to become productive, responsible, and innovative members of the global community by providing a quality education and extra-curricular activities within a safe learning environment through partnerships among parents, teachers, and community.

The mission of the Chesapeake Public Schools is to ensure that all students attain the knowledge, skills, and attitudes to become lifelong learners and productive citizens by combining the efforts of students, parents, community, and staff to provide a quality education in a safe, orderly environment in which human dignity is valued.

Hickory High School will SOAR to new heights when students and staff commit to provide a safe learning environment, exhibit ownership by taking responsibility for our behaviors, maintain positive attitudes in all situations, and show that we respect the dignity of others.

Below is the schoolwide matrix which details expected behaviors in all areas at HHS.

ATTENDANCE
School hours for students are from 8:45 a.m. to 3:43 p.m. Students need to report to classes on time. Regular school attendance is important in the academic development of the student. Excessive and unexcused absences from school are harmful to such development. On days when it is necessary for students to be absent, parents are requested to call the school that morning. Parents are asked to write a note for their child upon their return to school. Written notes are required for an absence to be excused and should include the following: 1) Student’s name, 2) Reason for the absence, 3) Signature of parent or guardian, and 4) Phone number where parent or guardian can be reached.

On the 4 x 4 block schedule, a high school student shall not be granted credit if absences total more than nine class periods per course per term (see Excessive Absences below). The principal shall be the judge of extenuating circumstances (see below).

The personal illness of a student, severe illness or death in the immediate family, exposure to contagious disease, and religious holidays shall be considered the only legitimate excuses for absences or tardiness. In all cases of absences or tardiness, parents/guardians shall provide a written excuse in writing, stating the reason for the absence or tardy.

EXCESSIVE ABSENCES
Students may be absent only nine (9) days in a 1-credit class and eighteen (18) days in a 2-credit class, nine (9) days per semester. These days include all unexcused and excused absences. Absences for school events are not to be counted.

EARLY DISMISSAL
Parents/guardians must report to the attendance office to pick up a student prior to the end of the school day. Photo identification is required and the individual’s name must be listed on the student’s emergency card. 
Student drivers requesting early dismissal must submit a parental note requesting early dismissal directly to the attendance office upon arrival at school. The attendance clerk will issue the early dismissal notice and students will pick up a departure note from attendance before leaving school.

EXTENDED DAY PROGRAM
Students may attend after-school tutoring or remediation sessions on Tuesdays, Wednesdays, and Thursdays from 3:45 p.m. – 4:30 p.m. to make up missed class time. A student may redeem a maximum of four (4) days per course during a term. Attendance at two 45-minute tutoring sessions will count as one class period. Visit http://www.cpschools.com/Schools/HHS/tutoring.html for a complete list of teachers and their corresponding subject areas and room numbers. Discipline policies and guidelines remain in effect for the after-school sessions. If students are asked to leave a session for behavior concerns, they will not receive credit for extended day and may not be allowed continued participation in the program.

EXTENUATING CIRCUMSTANCES
Extenuating circumstances may be granted when a student exceeds the number of absences due to legitimate, documented reasons. A student request form for consideration of extenuating circumstances must be obtained from the main office secretary and returned to the principal. The Attendance Review Committee shall be the judge of extenuating circumstances following the student’s request for consideration. Students who have excessive absences and have not attended any extended day programs may not be considered for extenuating circumstances. Students with OSS may not be considered for extenuating circumstances.
TARDIES
Students are to be in class on time. Tardiness to class disrupts the educational process of students and teachers. Sufficient time has been allocated to facilitate student movement between all classes. Teachers will record tardies in Synergy.

Consequences for unexcused tardies (in a nine-week period):
1st, 2nd, 3rd, and 4th – Verbal warning
5th and 6th – One (1) day ISS
7th and each subsequent tardy – One (1) day OSS

TRUANCY POLICY FOR NON-ATTENDANCE
The Code of Virginia 22.1-254 requires all students to attend school regularly. Schools are required by 22.1-258 to refer students to truancy court after the student accumulates seven unexcused absences. The court determines consequences on a case by case basis which could result in detaining the student or parent or removal of the child from the home.

~Chesapeake Public Schools: Student Conduct Policy Guidelines

WITHDRAWING FROM SCHOOL
The Guidance and Counseling Department will issue withdrawal forms to students only upon receipt of parental permission or upon administrative action. The withdrawing student must obtain signatures and clearance from subject area teachers, the attendance clerk, the media staff, and the bookkeeper. The student should return completed forms to the guidance and counseling office.

BUILDING USE AND CARE
• Students must leave the building by 3:50 p.m. each day unless involved in a supervised activity.
• The gym and auditorium are off-limits to students unless they have specific authorization to be in those areas.
• All students will eat in the commons area. Food or drink is not permitted in any other part of the school building. Students are not permitted to leave school for lunch. Weekly menus are published on the Chesapeake Public Schools Nutrislice website (cpschools.nutrislice.com). Academic hallways are considered off-limits during lunch, unless students have a hall pass.
• All students should be proud of the campus and the building. In order to maintain a safe and orderly environment, students should adhere to the following rules:
  o Do not mark or mar furniture, equipment or windows
  o Do not place feet on walls or lockers
  o Do not damage or destroy school property
  o Keep classrooms and halls free of paper, food, and drink
  o Do not post any material or notices on bulletin boards without prior approval of the administration
  o Do not post any wall signs for any activity without prior approval of the administration.
BUS TRANSPORTATION

Bus transportation is available to students residing in designated transportation zones. Riding the bus is a privilege, and proper conduct and behavior on the bus are expected at all times. Each child on a school bus must behave in a satisfactory manner in order for the driver to be alert to the many hazards of driving in heavy traffic. Because the health and safety of all children on the bus is of prime importance, a child who behaves in an unsatisfactory manner may, at the discretion of the administrator, be denied the temporary use of transportation facilities. Should children damage school vehicles; parent/guardians will be responsible for reimbursement of the damages.

A parent/guardian note is required for students riding home on a different bus. This note should be presented to the main office prior to the start of homeroom and must include the parent/guardian’s contact number for confirmation purposes. The student must pick up the approved bus note from the main office before the end of the day (preferably between classes or during lunch).

There is an activity bus daily that leaves at approximately 4:30 p.m. from the front entrance. Students must have a pass from a sponsor, coach, or teacher to board the activity bus.

CLASS DUES

Class dues are necessary to pay for class activities which extend beyond required educational services. Class dues are $5.00 and are due and payable each year. All class dues are applied towards class expenses. Failure to pay dues may result in restriction of participation in class activities during the junior and senior years. Class sponsors will announce when dues are collected. Dues may also be paid online through the “My Payments Plus” link on the HHS or CPS websites. All students are responsible for paying class dues.

CLINIC

Clinic services are provided for student illness or injury. The school staff, without written parental permission, may not administer medication, including aspirin. If a student needs regular medication, the parent must contact the school so the appropriate arrangements can be made. If a student becomes ill, he should report to the clinic. A student must have a hall pass signed by the teacher of the class from which he is absent to be admitted to the clinic. Students are not to enter the clinic between classes.

Students that misuse or distribute over the counter medicines are subject to disciplinary actions.

COMPUTER LABS

The goal of the computer resource labs is to give students and faculty the opportunity to use technology for enhancing education. Presently, there are four labs on the second floor. The computer labs are located in rooms 239, 241, 243, and 245. The computer labs are open daily from 8:30 a.m. until 3:50 p.m. to accommodate students and faculty.

Students may use computer lab 241 before and after school without a pass to work on class or club assignments. Teachers may see the Technology Integration Specialist (TIS) to arrange for a student to use the computer lab during class time for a specific purpose. Students who wish to use the computer lab during lunch for a specific purpose need to get a hall pass from the TIS or their classroom teacher prior to coming to the lab. This will enable the TIS to check the availability of the lab for that particular lunch period.

DELIVERIES

The main office staff will not accept the delivery of restaurant food, drinks, flowers, or balloons to the students of Hickory High School.

DISCIPLINE

Discipline is an integral part of the educational process as it relates to the development of personal integrity, maturity, and, ultimately, good citizenship. It is important, therefore, that it be clearly understood that propriety of conduct and good order in our schools are essential and will be maintained. Monitoring of student behavior and movement is subject to electronic surveillance. This list of school disciplinary infractions is designed to assist staff, students, and parents, but is not intended to be all-inclusive. Modifications will be made at the discretion of the administration. Violation of the following discipline policies may result in expulsion, out-of-school suspension (OSS), in school suspension (ISS), or revocation of student privileges or other disciplinary actions deemed appropriate by the administration:

1. Stalking, threatening bodily harm, or assaulting school personnel, students, or others.
2. Threatening to bomb or burn school buildings or school property.

Detailed explanations of the expectations for conduct and the sanctions for violations are available in the Student Conduct Policy Guidelines. A copy of this handbook is available on the Chesapeake Public School’s website. Chesapeake Public School Board discipline policies apply to Hickory High School students attending any school function regardless of time, day, or location. Policies are in effect from the time a student leaves home, arrives at school, and returns home.

Students given In-School Suspension (ISS) are encouraged to obtain assignments from their teachers prior to serving ISS, as ISS is not considered as a school absence. Student absences from class due to Out-of-School Suspension (OSS) are considered unexcused absences. Students are responsible for missed work. Students given OSS are not to be on Chesapeake Public School property or at any school sponsored function at any time through the duration of their suspension. Suspended students who go onto Chesapeake Public School property are subject to being charged with trespassing.

Hickory High School may use gun dogs, drug dogs, surveillance cameras, metal detectors, security monitors, and the Chesapeake Police Department to ensure a safe and secure environment. Search of a student or personal possession shall be conducted only if there is reasonable cause to believe that the student possesses an item which violates the law, school policies or regulations.

**DRESS CODE**

The Chesapeake School Board expects all students to dress in a manner appropriate for the promotion of learning. Student appearance shall not be disrespectful, indecent, dangerous to the health and welfare of students, or disruptive to the school environment. Each school shall be responsible for disseminating dress code information annually in accordance with regulations established by the Superintendent.

1. Students will not be allowed to wear clothes, jewelry, or other apparel or personal belongings that advocate violence, use of alcohol, tobacco products or drug use and/or distribution; that represent gang activity and/or membership; use obscenities; or reflect adversely on persons due to race, gender, creed, religion, disability, or sexual orientation.
2. Students who wear revealing attire may be removed from school until properly dressed.
3. Students will not be allowed to wear hats, caps, or any other kind of head cover in the school building.
4. Students will not be allowed to wear items containing spikes.
5. Shirts must be worn in an appropriate manner.
6. All pants must be secured at the waistline.
7. Students may not wear revealing attire, including apparel that exposes the midriff, tube or halter tops, see-through fabrics, low-cut, backless, or spaghetti-strap garments.
8. Dresses, skirts, and shorts must be longer than the longest finger of the student’s hand when arms are fully extended.
9. For reasons of health and safety, all students are required to wear appropriate shoes when on school property.
10. Students whose dress is considered contrary to good hygiene or in any way disruptive to the learning process will be required to meet the school standards.
ELECTRONIC DEVICES

Privately-owned electronic devices are permitted on school property for the purpose of supporting and promoting the educational objectives of the Chesapeake Public Schools at the discretion of the Superintendent and building administration and consistent with the terms of school board policy (P 9-20.2).

~Chesapeake Public Schools: Student Conduct Policy Guidelines

Devices used on school property, including school buses, and/or off school property at school-sponsored events, are also subject to Policy 6-36, Acceptable Telecommunications and Internet Use.

~Chesapeake Public Schools: Student Conduct Policy Guidelines

Students may utilize cellular devices to listen to music in hallways and at lunch with one earbud/headphone so they are able to hear staff member directions. Music must be able to be heard by others. Network capabilities must be disabled (turned off) during the instructional day. If a device is a distraction or disruption on a school bus, the bus driver may require the device be put away. Students are responsible for knowing how to properly and effectively use their devices. The School Division will not provide any means of support for any device. Unauthorized audio or video recording is prohibited. Voice, video and image capture applications may only be used with prior teacher permission and for a specific instructional purpose.

The use of Personal Electronic Devices must adhere to the following zones which have been approved by administration:

ACADEMIC PROGRAM

ACCREDITATION
Hickory High School holds accreditation with the Virginia State Department of Education and AdvancED. The school has also received full Standards of Learning certification from the Commonwealth of Virginia.

GRADING AND CLASS RANK
High School – Averaging Credit Grades in a Four x Four Block Schedule

The final grade is determined by averaging the student’s four marking period grades and the final exam grade in credit-bearing courses.

1. The school year is divided into two semesters.
2. Each semester consists of four marking periods. The four marking period grades and the exam grade will be used to determine the final grade. Each carries a weight of twenty percent.
3. Grades for year-long courses (A/B alternating block and the Governor’s School for the Arts) will be considered interim grades at the 01, 03, 05, and 07 reporting periods. These grades will not be used to determine the final grade for the semester.
4. CCST classes that are 1.5 credits each semester will have four marking periods and the exam grade to determine the final grade for the semester. CCST classes that are 3.0 credits and are full year classes will use all eight marking periods and two exams to determine final grades.
5. As required by School Board policy (6-44), all grades are subject to improvement based upon the timely completion of make-up work.
6. Final grades should be in the best interest of the child. Marking period/exam grades (especially “E”s) need to be closely monitored to ensure that the final letter grade is accurately reflected.
7. Regulations regarding grading in Advanced Placement courses are found in a later section of this document.
8. Dual Enrollment courses will utilize the grading scale of the college or university as noted in the Dual Enrollment contract.

Special Note
Students are expected to demonstrate consistent effort and mastery of the Standards of Learning and the curriculum objectives. If there is a dramatic decline in performance and the student does not demonstrate a mastery of the Standards of Learning, the student may fail the course regardless of the numerical average.

Weighted Credits
Certain courses have been approved for additional quality point weight which is added to the grade point average. These courses are approved because they are academically demanding. The courses are identified as honors, advanced placement, IB, SMA, or STEM Academy classes. After the students’ averages have been calculated, a weight of .025 is added to the grade point average for each honors credit completed successfully and a weight of .05 is added to the grade point average for each credit in an advanced placement class or Dual-Enrollment College Composition class completed successfully.

Students who transfer into the Chesapeake Public Schools will be given weighted credit for courses passed successfully in other school divisions if the specific courses are weighted in the Chesapeake Public Schools. Weighted credit will not be awarded unless courses are weighted in the Chesapeake Public Schools.
Honor Roll
High school students who have a 3.0 or greater weighted grade point average, with no grade lower than a C, in all courses (credit-bearing or non-credit bearing classes) are given the distinction of honor roll. There are three Honor Roll distinctions.

<thead>
<tr>

<th>Superintendent’s Honor Roll Award</th>
<th>Principal’s Honor Roll Award</th>
<th>Honor Roll Award</th>
</tr>
</thead>
<tbody>
<tr>
<td>High School</td>
<td>3.85 – 4.00 GPA (with no grade lower than A-)</td>
<td>3.50 – 3.84 GPA (with no grade lower than B-)</td>
<td>3.00 – 3.49 GPA (with no grade lower than C)</td>
</tr>
</tbody>
</table>

HONOR GRADUATES
The distinction of honor graduate is awarded to all students who have met the requirements for the modified standard, standard with credit accommodations, standard, or advanced studies diploma and who graduate with a 3.0 or greater weighted grade point average in all credit bearing classes. Credit bearing classes are those defined in the Standards of Accreditation as receiving a standard unit of credit [8 VA C 20-131-110]. Determination is made by the averaging of grades after final examinations have been given and final grades have been derived in June of the senior year.

VALEDICTORIAN AND SALUTATORIAN
The determination of valedictorian and salutatorian is made based on the weighted grade point average at the end of the 2nd semester of the senior year. The student with the highest rank at the end of the senior year will be declared the valedictorian of the graduating class. The student with the second highest rank at the end of the senior year will be declared the salutatorian. In cases where more than one student has the same numerical average, all students with that average will be given the same classification.

In addition, the student shall not have been enrolled in the last four years of high school for a period of more than eight consecutive semesters, beginning with the semester in which he/she was enrolled for the first time in the ninth grade.

The eight consecutive semesters shall be counted continuously from that point, regardless of whether or not he/she remains continuously enrolled in school. On the student’s final transcript, final class rank including valedictorian (number one in class) and salutatorian (number two in class) is calculated following graduation.

Determination of student involvement in graduation exercises are decisions made by the school principal.

“Chesapeake Public Schools: A Student Handbook and Course of Study Guide – High School Catalog

CLASS RANK
Class rank will be determined by assigning the student with the highest grade point average the rank of number one; the second higher, the rank of number two; etc., with the process continuing consecutively. Final class rank is calculated when courses are complete.

In cases where more than one student has the same numerical average, all students with that average will be given the same rank. The next highest average will assume the next rank position, which will indicate the number of students having a higher rank. An example is provided below.

| Example of Class Rank |
|-----------------------|-----------------|---|
|                       | GPA  | RANK |
| Student A             | 4.125 | 1   |
| Student B             | 4.125 | 1   |
| Student C             | 4.100 | 3   |
| Student D             | 4.100 | 3   |
| Student E             | 4.000 | 5   |
CLASSIFICATION OF STUDENTS

HOME INSTRUCTION
Placement of Home Instruction Students in the Chesapeake Public Schools

Parents of students receiving home school instruction who wish to enroll children in Chesapeake Public Schools may do so by contacting the principal of the school in the attendance zone in which the parent resides. Grade-level placement of students will be determined by the principal in accordance with the Regulations Establishing Standards for Accrediting Public Schools in Virginia and will depend upon age-appropriateness as well as upon emotional adjustment and academic success.

To assist the principal in making the proper placement, the parent will be required to provide the following:

1. A description of course work completed (transcript)
2. Evidence of achievement in course work (report cards)
3. Documentation of hours of study
4. Standardized test scores
Awarding of Credits
Students entering a Chesapeake public high school from a non-accredited school or home school and seeking credits for previously completed course work must verify credits earned in grades nine or above by one of the following:

1. Presenting an official transcript from a correspondence school or other private institution approved by the Superintendent of Public Instruction; or
2. Successfully completing a Chesapeake Public Schools end-of-course examination in the appropriate content areas of English, history and the social sciences, mathematics, and science; or
3. Meeting the following requirements:
   a. Providing evidence of attainment of a percentile rank of 80 or above on achievement tests which have been approved by the Board of Education and which have been administered in the previous twelve months; and
   b. Providing evidence of successful academic performance in previous public or accredited private school experiences (e.g., report cards, school records, work samples); and
   c. Successfully completing a semester (high school term) of course work in Chesapeake Public Schools.

High school credits granted will be recorded as pass/fail, and they will not be used in determining the cumulative grade point average or class rank.

If determining the appropriate placement of the student requires more than one day, the student will be placed in the grade level or in the courses that seem appropriate based on evidence available. Such placement, however, may be temporary, and parents or legal guardians should be so informed in writing by the principal.

COURSE INFORMATION
Chesapeake Public Schools publishes an annual Secondary Course Catalog with information regarding course offerings, graduation requirements, and special programs. This catalog can be accessed online at http://www.cpschools.com/backtoschool/course_catalog_highschool.php. Paper copies of this catalog are also available in the Guidance office.

CHANGING AND DROPPING COURSES
Students are expected to follow the schedule of courses for which they register. However, circumstances may arise which give valid reasons for changing a schedule or dropping a course. Adjustments will be made only when, in the judgment of the principal, the reason for change is valid. Note: If a student requests to drop a course during the drop/add period, written notice must be received by the school’s counseling department within the first five days of that class. A student may not drop a course and add a new course after the first five days of a class.

SYNERGY

Synergy is a web portal that has enhanced our ability to communicate by providing students and their parents the availability to check homework assignments, news and class calendars in grades K through 12. This resource provides grades 3 through 12 itemized grade reports as well as such items as upcoming tests, projects, homework, and class expectations. Synergy provides parents accounts which will allow them to obtain instant and secure information concerning their child.

SENIOR EXAMINATION EXEMPTION

Graduating seniors who have an “A” average (93 -- 100) in a course are exempt from taking the final examination in the course. The exam grade to be entered in the teacher gradebook will be the numerical average of the four quarters.

SOL INCENTIVE OPTION

Beginning with the 2013-2014 school year, an SOL incentive process was established for SOL credit bearing classes. If a student passes the SOL on the first attempt or in an expedited retake attempt for the enrolled course, he/she will have the option of taking the following grade in place of the exam grade:

<table>

<tr>
<th>SOL SCORE</th>

GRADUATION REQUIREMENTS
The Virginia Board of Education of the Commonwealth of Virginia establishes graduation requirements for all Virginia public schools. The Board of Education of the Chesapeake Public Schools maintains its graduation requirements based on regulations set by the Virginia Board of Education (8 VAC 20-131-10-et.seq.)

To receive a high school diploma, students must meet the requirements for the Advanced Studies Diploma or the Standard Diploma beginning with the ninth grade class of 2013-2014. An Applied Studies Diploma is awarded to students with disabilities who complete the requirements of their individualized education plan (IEP). A Certificate of Program Completion is awarded to students who successfully complete all academic coursework (standard units of credit) required for either the advanced studies or standard diploma, but who need to continue to take a Standards of Learning (SOL) test(s) for the required verified credits. Through elective choices, students have the opportunity to design a course of study that best prepares them for different goals. Students are encouraged to consider both educational and career goals in selecting courses. An unofficial transcript will be made available to all students during the scheduling process each year. With the help of this record, students, parents or guardians, and counselors can provide assistance in the course selections process to ensure specific graduation requirements are met.

Students must fulfill the following requirements in order to receive a diploma and graduate from a Chesapeake City Public School:

- Earn the required units of credit by passing required course work.
- Earn verified units of credits based on SOL tests.
- Successfully complete one virtual course, which may be non-credit bearing.
- Earn a board-approved career and technical education credential (Standard Diploma only)
- Receive training in emergency first aid, cardiopulmonary resuscitation, and the use of automated external defibrillators, including hands-on practice of the skills necessary to perform cardiopulmonary resuscitation. (Beginning with first-time ninth grade students in the 2016-2017 school year)

SCHOOL COUNSELING SERVICES
The Virginia Board of Education has implemented state standards of learning for students to ensure that all graduates of Virginia high schools can compete in a global economy. In accordance with the State Standards, effective school counseling and guidance programs are designed to ensure that all students, grades Pre-K through 12, have the opportunity for support in academic, career, and personal/social development to meet the demands of these standards. Professional school counselors join with parents, teachers, administrators, and other school and community members, to foster, promote, and improve student success and achievement in schools.

Regulations of the Virginia Board of Education state “school guidance and counseling are support services designed to promote the academic mission of public education and exist primarily to aid the student’s academic achievement in elementary and secondary education.”

School counseling is a process of helping people by assisting them in making decisions and changing self-defeating behavior. School counselors work with all students, school staff, families, and members of the community as an integral part of the education program. School counseling programs promote school success.
through a focus on academic achievement, prevention and intervention activities, advocacy and social, emotional, and career development.

The purpose of the school counseling program is to impart specific skills and learning opportunities in a proactive and preventive manner which ensures that all students can achieve school success through academic, career, and personal/social development experiences. All students benefit from the services of a credentialed or certified school counselor who delivers a school counseling program that is comprehensive in scope and developmental in nature (American School Counselor Association, 1997).

Pursuant to the Standards of Quality, guidance and counseling services will be made available to all students enrolled in Chesapeake Public Schools. Descriptions of services include the following:

- **Academic Guidance:** Academic guidance helps students and their parents to acquire knowledge of the curricular choices available to students, to plan a program of studies, to schedule and interpret academic testing, and to seek post-secondary academic opportunities.
- **Career Guidance:** Career guidance helps students and their parents to acquire information and to plan work, jobs, apprenticeships, and post-secondary educational and career opportunities.
- **Personal/Social Counseling:** Personal/social counseling helps students (1) to develop an understanding of themselves as well as the rights and needs of others, and (2) to resolve conflicts in a positive (nonviolent) manner. Such counseling will assist students to define individual goals, which reflect their interests, abilities, and aptitudes.

The guidance and counseling program of Chesapeake Public Schools is a collaborative effort by parents, teachers, counselors, support personnel, and administrators. The program is a planned, sequential program offering academic and career counseling, and personal/social counseling services to all students. Emphasis is placed on helping students deal effectively with problems that may impact learning.

The program objectives are designed to assist students in accomplishing the following:
- Resolving problems which interfere with learning;
- Acquiring positive attitudes toward learning;
- Developing effective study skills;
- Understanding self and others;
- Acquiring problem-solving skills and decision making skills;
- Becoming increasingly responsible for personal behavior; and

1. When a student is absent for more than three consecutive school days, the school work should be sent home upon request of the parent. Twenty-four hours’ notice for the request must be given. Students that miss one to three consecutive days should make up the work within five school days after the student is well enough to return to school.

2. When a student is absent due to personal reasons and has received prior approval from the principal, school work should be sent home with the student upon request after a twenty-four hour notice has been given. Completed assignments are due upon the student’s return to school.

3. When a student is absent the day of an assessment (a test or project due date), but was in school the day before the test or project due date, the student will be expected to take the test or turn in the project upon return to school.

4. Students who are present but fail to complete an assignment may receive a 10% deduction per day it is late.

5. It is the student’s responsibility to complete all work missed when absent. The students have up to five school days to complete the work for full credit. Exceptions may be made for extended absences. Penalties for work turned in after the five school day make-up period may be imposed, but should not be more than 10% per day.

6. In the case of an intentional absence (e.g., skipping class or school) students shall not be permitted to make up work for credit and should receive a zero for any work assigned on the day/class period of the absence
