[7] Under the Affordable Care Act, prescription, medical and behavioral costs all count toward one combined out of pocket maximum.

[8] Pharmacy Benefit for HDHP with HSA plan: you have an overall plan deductible of \$3,000 per person/\$6,000 per family. This deductible applies to all covered medical services and prescription drugs on all tiers. Your deductible amount begins anew each calendar year. After you meet your deductible, the appropriate copayment shown in the chart to the left (HK 20, KC 20) applies for each prescription. There is no separate \$100/\$200 deductible for prescriptions under the HDHP plan.
