ABOUT US

CCSS provides a FRESH start for all students.

We meet students where they are by providing academic, behavioral, and social emotional support that promotes: Self-Advocacy, Resilience, and Empathy.

We empower each CCSS Family member to strive for GREATNESS.

DISCLAIMER

Soaps and other hygiene products affect different skin types differently, and individuals have an array of allergies and sensitivities that they may or may not have knowledge of. If you are unsure how an item might affect your skin, try a small test patch first before using the product further. We are happy to answer any questions you may have about our products, but we cannot be held responsible for any adverse effects that are beyond our control.

We will always stand behind the quality of our products and are committed to putting your safety, health, and happiness above all else.
