

Chesapeake Public Schools Educational Foundation
Instructional Grant Application
2018-2019

The Chesapeake Public Schools Educational Foundation (CPSEF) Instructional Grant Program awards individual grants up to \$1000.00 to help Chesapeake Public Schools (CPS) teachers of all subjects to develop, plan, implement, and evaluate innovative instructional strategies. All CPS teachers and building administrators are eligible to apply.

Projects that will be considered:

Direct learning experience projects for classes of all grade levels will be considered. Projects should stress innovative approaches to teaching subject content, as well as creating hands-on opportunities for students. Practical learning outcomes and student assessments should be included in all project plans. All proposed projects should address the curriculum requirements. Teachers of non-core subjects (i.e. Fine Arts, CTE) should demonstrate a connection with their project and any related curricula and/or Standards of Learning.

The grant guidelines are as follows:

1. Grant monies must be used to benefit CPS students.
2. Teachers may not subscribe or enter into any contract that will require any commitment outside the grant monies or time frame allotted.
3. Consideration for a request will be given only if the educator will be representing Chesapeake Public Schools in his/her endeavor.
4. The CPSEF will not fund more than \$1000.00 for an Instructional Grant proposal.
5. All funded grants must be implemented within the 2018-2019 school year.
6. A teacher may only be a grant applicant on one (1) Instructional Grant.
7. Grants may not include the purchase of food or beverage.
8. Grantees are required to submit a final project report to the CPSEF Board. This report will include receipts for all expenditures using grant funds. Final report is due June 1, 2019.
9. Grant application must have building administrator's approval for processing.
10. **All items purchased using Instructional Grant funds will remain the property of CPS and remain at the school the teacher was teaching at when the grant was presented.**

Final project report will include:

- A brief assessment of student outcomes and achievements, information on insights gained and how those insights will affect future teaching efforts, as well as opportunities for improvement and lessons learned.
- A complete final accounting of all grant monies spent.
- Final grant project report due to the CPSEF office at the School Administration Building by June 1, 2019.

Grant applications will be reviewed by the Foundation Grant Review Committee

To be considered, grant applications must be received no later than:

March 30, 2018 (by 4:00 P.M.)

Grant recipients will be notified no later than June 8, 2018.
