

# VISITOR AND VOLUNTEER FORM

All Visitors and Volunteers MUST be signed in through the RAPTOR system when visiting a Chesapeake Public School. In order to keep the sign-in process at Deep Creek Central running as smoothly as possible during large events, we are asking that everyone fill out and return this visitor/volunteer form. This allows security staff to pre-enter your information into RAPTOR and have your badge printed out upon arrival.

Please print clearly, fill out entire form and return to your child's teacher.
