

Welcome from the administration of Deep Creek Central Elementary!

Our principal, Dr. White, considers it a great honor to serve Deep Creek Central Elementary School. The previous school administrations have left a strong legacy of success that he is committed to upholding. Dr. White is a husband and father of three elementary school age children: Miles, Allie, and Owen. He is a graduate of Old Dominion University, University of Virginia, and Virginia Tech. He comes to DCCE with 15 years of experience in public education. Dr. White taught chorus, computer exploratory, and general music at the middle and elementary school levels in Virginia Beach and Norfolk Public Schools. He also was a Technology Integration Specialist (ITRT) with Norfolk Public Schools at the building and district level. He has 7 years of experience as an assistant principal and principal. Dr. White most recently was the principal at Tarrallton Elementary School in Norfolk. His focus there was on quality teaching and learning built on strong relationships with the students, staff, and community. In 2018 while principal at Tarrallton, similar to DCCE, the school earned the Virginia Department of Education's Purple Star Award for support of Military Connected Students and families.

Dr. White makes it a point each day to make connections for the teachers and students to our vision. You may hear your child use the verbs: inspired, engaged, and empowered. These are key terms that we will be incorporating from the Chesapeake Public Schools Empower 2025 Strategic Plan.

Dr. White values quality teaching and learning, customer service, leading through service, and community support. If you'd like to reach him, his email is dan.white@cpschools.com. Dr. White is also on Twitter @dwhite5321.
