April 25, 2021

Dear Option 1 Families,

This letter is to inform you of the upcoming SOL testing for students in Grades 3, 4, and 5. All 3-5 students enrolled at DCCE will participate in these assessments. **Please take note of the schedule below.** Regular, on time attendance is an important component of your child's success in school. It is even more important on these dates. Please rearrange morning appointments, as once students begin they cannot pause or restart the assessment.

DATE	GRADE	SOL	DATE	GRADE	SOL
Mon, May 17	Gr 3	Reading	Wed, June 2	Gr 5	Math
Wed, May 19	Gr 5	Reading	Thurs, June 3	Gr 4	Math
Mon, May 24	Gr 4	Reading	Mon, June 7	Gr 3-5	Make-up
Wed, May 26	Gr 3	Math	Tues, June 8	Gr 3-5	Make-up
Fri, May 28	Gr 5	Science	Wed, June 9	Gr 3-5	Make-up
Tues, June 1	Gr 5	VA Studies			

We understand the challenges our families, our community, and our staff members face because of the pandemic. We are extremely cautious and diligent in putting a plan in place to ensure a positive, encouraging, and healthy environment for testing and instruction.

- If you refuse for your child to take the SOLs, a parent must send a note or email to school prior to the start of testing indicating the test you are refusing and the reason.
- Your child's score report and academic records will display a zero or "no score", but this will not directly impact the child's course grade, promotion to the next grade, or access to future coursework.

If you have any questions or concerns about testing, please give me a call at (757) 558-5356 or email dan.white@cpschools.com.

Sincerely,

Daniel White, Principal
