Dear Option 2 Families,

This letter is to inform you of the upcoming SOL testing for students in Grades 3, 4, and 5. All students enrolled at DCCE will be taking their SOL Tests at Deep Creek Central. Breakfast and lunch will be provided to all students. **Please take note of the schedule below.**

Option 2 Families: Students are required to report to school for their testing. The SOL test cannot be administered virtually. On the designated testing days, CPS will provide transportation at the start and close of the school day. Parents may also choose to provide transportation to/from school. Students riding the bus will stay for the duration of the school day. Those with parental transportation can leave when the assessment is complete. **Please click on the link to fill out the Google form: [SOL Testing Transportation for Option 2 Families](#). Please review, complete, and submit this form by April 30.**

We understand the challenges our families, our community, and our staff members face because of the pandemic. We are extremely cautious and diligent in putting a plan in place to ensure a safe testing environment for testing and instruction.

- If you refuse for your child to take the SOLs, parents must send a note or email to school prior to the start of testing indicating the test you are refusing and the reason.
- Your child’s score report and academic records will display a zero or “no score”, but this will not directly impact the child’s course grade, promotion to the next grade, or access to future coursework.
