

Scholarship Information

Great Bridge High School and the School Counseling Department are committed to helping you, students and families, make post-high school education more affordable. Whether your plans after high school are to attend a 4-year college, 2-year college, or a trade/technical school, there are scholarships available!

Scholarship information will be posted and updated regularly throughout the school year in multiple ways:

ScholarshipVue: Students can access the ScholarshipVue online scholarship database by visiting <https://apps.cpschools.com/ScholarshipVUE/login>. This database is maintained by a scholarship counselor from each Chesapeake high school.

Google Classroom: A Scholarship Hub has been created in Google Classroom. Great Bridge High School students can join using code **5rjax3h**. This "classroom" will be used for scholarship announcements, financial aid website links, and general reminders.

Email List: If you would like to be added to our scholarship email list, send an email with the subject line "Scholarships Please!" to Mrs. Settar (jennifer.settar@cpschools.com). When the list of available scholarships is updated, an email alert will be sent directly to you.

A Scholarship Bulletin is distributed at graduation. Seniors should email copies of all scholarship award letters to Mrs. Settar so they can be included in the bulletin.

*Please note that only scholarship information that is sent to GBHS is advertised. There are other resources available to you to help fund your education! Here are some frequently used websites:

www.fastweb.com

www.studentaid.ed.gov

www.accesscollege.org/access-scholarships

www.myscholly.com

(Please note that the websites listed above are not endorsed by Chesapeake Public Schools. They are just examples of the many websites available for your consideration.)

Good luck and work hard, Seniors!
