

Dear Parent,

First, I want to thank you and your family for your service. Secondly, I would like to take this opportunity to introduce myself as well as the new Military & Family Life Counseling (MFLC) Program here at Great Bridge High School.

My name is Danielle Frank and I am a Licensed Professional Counselor and the new Military & Family Life Counselor or MFLC. As a MFLC I will be here to address challenging behaviors and strengthen the capacity of staff, families, programs and systems to meet the needs of military children, adolescents and their families.

MFLC'S provide non-medical, short term, situational, problem-solving counseling services to address issues that occur across the military lifestyle. MFLC's are here to help service members and their families cope with the normal reactions to the stressful/adverse situations created by deployment and reintegration. With parental consent, MFLC's provide support to children and adolescents up to age 18 in both individual and group settings.

I invite and encourage you to read through the MFLC Brochure to explore what this program has to offer and to decide if your family would benefit from this valuable resource. If so, please complete the attached consent form. You may return the consent form via email, with your child, or personally. Please do not hesitate to contact me with any questions or concerns. I look forward to having the opportunity to work with you and your family. Families serve too.

Sincerely,

Danielle Frank, LPC

MFLC
