

Great Bridge Primary School

GROWING OUR LIBRARY!!!

Are your bookshelves PACKED?

Help us grow our library!

Dear Great Bridge Family,

As we prepare for our spectacular new building, I am looking for those books that students LOVE! The above books are ones I CANNOT keep on the shelf! If you wish to donate one of the books from above that is still in great shape, ones your child has outgrown, or already read, our students would be so happy! These are the books that kids LOVE! We can use as many of them as they can read! Send a book... grow a mind!!

Keep Reading,

Mrs. Labaire, School Media Specialist/Librarian
