BUILDING A COMMUNITY OF EXCELLENCE

- ◆ The Governor’s STEM Academy offers three career pathways:
 - ◆ Engineering and Technology
 - ◆ Global Entrepreneurship and Technology
 - ◆ Programming and Software Development
- ◆ The Governor’s STEM Academy offers the opportunity for students to earn Advanced Placement Credit & Industry Certifications.
- ◆ The Governor’s STEM Academy offers a rigorous curriculum, exciting field trips, internships, and mentorships.
- ◆ The Governor’s STEM Academy is a four year program that operates as a school-within-a-school. Grassfield High School offers more than 35 student organizations including the co-curricular organizations of TSA, DECA, and FBLA.
