HELPFUL PREPARATION TIPS:
- Guys - Wear a white collared shirt with a solid, dark colored tie to wear under your gown.
- Guys - Make sure you are freshly shaven for your portraits.
- Girls - Wear a button down or open neck blouse under your gown.
- Girls - Do your hair and makeup at home but bring cosmetics and a brush or comb to your portrait session for any touch-ups.
- Girls - Your fingernails will most likely show. Plan accordingly.
- Haircuts - Allow one week to grow before your appointment.
- Avoid excessive sun exposure. This may darken your skin unnaturally and make your skin appear shiny.
