The Extended Day Program has been established to help students who could fail their respective courses due to absences. **A student may redeem a maximum of four (4) days per course during a term. A student may redeem one class for one extended day period.** Students may “bank” days in the extended day program – they do not need to wait until their attendance is a problem before attending the sessions. Students who have excessive absences and have not attended any extended day programs may not be considered for extenuating circumstances by the principal. The extended day period will be held from 3:45 p.m. until 5:15 p.m., only on the days listed.

### RULES/REGULATIONS FOR EXTENDED DAY

1. The session is held from 3:45 p.m. to 5:15 p.m. No student is to be admitted after 3:45 p.m. nor will they be allowed to leave prior to 5:15 p.m. without losing credit for the session.

2. A student who wishes to attend an extended day session MUST pick up a ticket from their teacher in order to make up a day for that particular class. **A student will not be allowed to enter extended day without a ticket.** The ticket will have instructions on whether or not an assignment was given, and it will be the responsibility of that student to return the assignment to their teacher in order to receive the appropriate grade.

3. Students who do not bring schoolwork with them to the session will be asked to leave the session and will not receive credit for the session.

4. Students who do not work for the entire session on schoolwork will be asked to leave the session and will not receive credit for the session.

5. No misbehavior of any type will be tolerated within the extended day session.

6. Students will not be allowed to eat, drink, or sleep during the extended day session. The session room is a “RED ZONE”.

7. The extended day program is a voluntary program. Therefore it is the student and parent’s responsibility to provide transportation at the conclusion of each session.
