

Class Meetings

Class Meetings: Teachers should follow the schedule below for Google Meets that provide direct instruction or initial explanation of learning activities. Teachers will post their Google Meet time on their Google Classroom.

Office Hours: Teachers will post their office hours on their Google Classroom. Office hours may be used to answer questions, provide feedback, make connections with students, clarify a learning activity, etc. and may be held through Google Meets, phone contacts, emails, Google Classroom, and other means of communicating with students.
