Dr. LaToya Harrison, Chief Academic Officer

RE: Elementary School Supply List

DATE: June 10, 2021

School supply lists have been reviewed and approved for each elementary grade level and have been included in this document. Your assistance is crucial for establishing citywide consistency with this initiative. Schools are reminded that no other items may be added to these lists. Schools and teachers may provide clarifying details about the supplies and reasonable quantities to purchase. Items may also be removed from the list if not required at your particular school. Principals must approve final lists before they are sent home or posted.

Please post (in ParentVue/StudentVue/Schoology) or send the respective supply list home with students at the end of the school year. Schools are also expected to give this information to parents as they enroll new students. Additionally, please share these lists with area businesses and post them on your individual Chesapeake Public Schools (CPS) web page by Wednesday, June 30, 2021.

Thank you for your continued support. Questions about the approved school supply lists may be directed to Jacqueline Tate (547-1165) at the Instructional Services Center.
