

Indian River Middle School PTSA February 2020 Newsletter

Dear Families, Faculty and Friends of Indian River Middle School,

It warms our hearts every time we hear a desire to help our students from all of you and those in our community. For those of you who wish to spend time with the students, coming and having lunch with your student and their classmates is a great option throughout the year. Even though our students are a bit older, they seem to really enjoy these special lunch moments. Another option for helping is a wonderful idea turned reality this year: the IRMS PTSA Cares Pantry. It is operational and accepting donations. We do have a few other opportunities coming up for volunteering. If you are interested, please contact us at irmptsa@gmail.com.

Yours sincerely,

Megan Lewis, IRMS PTSA Volunteer Chair
