

MARCH 2020 IRMS PTSA Newsletter

Dear Families, Faculty and Friends of Indian River Middle School,
Spring will begin this month. Great opportunities are available as our students enter the doors of IRMS! Let's READ ACROSS AMERICA. What's your favorite book? Wear your green on ST. PATRICK'S DAY. The month also features the women who had an impact on our history during WOMEN'S HISTORY month. Look for those caterpillars that will become butterflies and those lovely ladybugs! Check the IRMS calendar for additional school activities for the month.

IRMS has a great team of students, instructors, leadership, parents and support staff! The PTSA recently shared a little token of love and appreciation for our teachers and staff. Our IRMS PTSA Cares Pantry is another outstanding token of support to our community. What a great opportunity to receive and share a blessing! Don't miss an opportunity to give and share praise for efforts and actions.

Sincerely,

Patrice Gay Williams, IRMS PTSA Recording Secretary
