

Braves Family,

It's hard to believe we are now in the month of May! We are in the final home stretch of the game. This has definitely been a time of true flexibility, resilience, and teamwork in our school community.

Since June is right around the corner, here are a few "Tips for Students to Finish the School Year Strong:"

1. Give yourself grace! Be easy on yourself. It is important to realize that you are doing the best you can.
2. Continue to stay connected. Check in with your teachers regularly and check on your fellow classmates.
3. Ask questions. If you are confused, please don't hesitate to ask a question to your teacher so that you can gain a better understanding of the assignment/material.
4. Continue to remain active. Do activities that promote a positive mental and physical well-being.
5. Turn in your completed assignments. This allows your teachers to see your commitment to continuing your education.

We know that this time has been a major adjustment for everyone. Give yourself a pat on the back for remaining dedicated throughout the process! We wish you a safe and successful month of May. Cheers!
