

Indian River Middle School PTSA June 2020 Newsletter

Dear Braves Family,

It is hard to believe that we are now at the end of the school year. I must say, this school year has definitely been one for the history books! We have endured some tough times and have proved that we are resilient. We have truly come together as an entire community...as a family. While there may have been times of darkness, it is important that we focus on the light! Our IRMS PTSA Board members truly worked hard this school year. We tried new fundraisers in an effort to increase funds and boost spirit wear at the school. Through your generous donations, we created a beautiful onsite "IRMS PTSA Cares Pantry" which allowed us to serve our school community. We recognized our students that won various PTSA contests throughout the year by providing them with: certificates; gift cards; doughnuts, ice cream, and pizza parties; and/or social media recognition. We did our best to keep everyone informed throughout the school year by making over 800 Back-to-School Packets; sending monthly newsletters; actively engaging with people through our social media pages; and by keeping our PTSA bulletin board updated. We celebrated the amazing IRMS faculty/staff both onsite and online with treats and cards to express our words of appreciation. We did our best to represent Indian River Middle School by attending city/district PTA events. Overall, we volunteered countless hours and it was our pleasure to serve the Indian River Middle School community. Thank you so very much for selecting me to serve as the 2019-2020 President of Indian River Middle School PTSA. It was a true honor filled with priceless memories that will forever remain close to my heart. Wishing everyone a fun and safe summer. Go, Braves!

Sincerely,

Sheena Bellamy, 2019-2020 IRMS PTSA President

<i>Let's Give a Warm Welcome to the 2020-2021 IRMS PTSA Board Members!</i>	
President	<i>Megan Lewis</i>
