

OneLogin Clarification for Students

Grade 6-12 students who are logging into OneLogin for the first time or any time after their passwords are reset, will see the screens below. They will see that their passwords have expired. They need to continue and use the steps below:

- The **Current Password** is either their DOB (in **05feb70!** format) or the new password to which it has been reset.
- The **New Password** is where they will enter the password they would like to use.
- Click **Submit** when all of the check marks turn green.

Your password has expired.

Current Password

New Password
