

# NCAA Clearinghouse Information

Any student-athlete who is planning on participating at the Division I or II level must register with the NCAA Clearinghouse: <https://web3.ncaa.org/ecwr3/> . The registration form is located in the Prospective Student Athletes link. Currently the registration fee is \$80. There are fee waivers available. See your counselor in Guidance for more information.

In order to gain eligibility through the Clearinghouse you must send ALL of your SAT and/or ACT scores directly to the Clearinghouse. On the SAT and ACT registration forms you must select code 9999 NCAA Clearinghouse as one of the destinations for your scores to be sent. High Schools can no longer send the Clearinghouse these scores.

For a list of all Clearinghouse approved core courses for Oscar Smith High School, go to the Prospective Student Athletes link and choose List of Approved Core Courses (Formerly 48H). Enter code 472-125 and submit. These are the courses that make up your Core GPA for eligibility. To meet the NCAA eligibility requirement make sure that you meet with your counselor early in your high school career to discuss a plan for taking the necessary core courses.
