

Oscar Smith Middle School Welcomes You!

A Year of Empowerment

We welcome you to an exciting year of engaging educational experiences at Oscar Smith Middle School. In order to prepare for this upcoming school year, we are cultivating a positive learning environment for all of our students in order to foster inquiry, promote a growth mindset, and provide for continuous innovation. We value our students and we want to provide them with an educational environment that emphasizes learning, promotes critical thinking, and builds an academic community within our school. We highly encourage all students and parents to attend our **orientation on August 27th** to meet our staff and explore the building. We look forward to seeing you this school year!
