

## Special Education

### 2017-2018 Parent Involvement Survey

All parents of school-aged children and youth who receive special education services in Virginia's schools are encouraged to complete the Department of Education's annual Parent Involvement Survey. This is a great opportunity for parents to provide input to help guide efforts to improve services and outcomes for their children. Your responses will be kept anonymous and never be personally linked to your child. The results of this survey will be made available to the public.

The survey will remain open through December 14, 2018. If you have any questions concerning the survey please contact Jackie Edwards, at (757) 494-7600.
