Virginia School Diabetes Medical Management Forms

Student: **School:** **Effective Date:**

Date of Birth: **Grade:** **Homeroom Teacher:**

Instructions:

Part 1: **Contact Information and Diabetes Medical History**.
To be completed by parent/guardian and returned to school nurse (prior to beginning of each school year or upon diagnosis).

Includes: Parent authorization for trained school designees to administer insulin and/or glucagon (required by Virginia Law).

Part 2*: **Diabetes Medical Management Plan (DMMP)**
Student's physician/provider to complete Intensive Therapy or Conventional Therapy/Type 2 version of DMMP.

Please note: that physician authorization for treatment by trained school designees must be included in the Diabetes Medical Management Plan or a separate form must be provided.

Part 3*: **Insulin Pump Supplement**
Have the physician/provider, diabetes educator, and parent/guardian collaborate to complete appropriate portions if your child wears an insulin pump.

Part 4*: **Permission to Self-Carry and Self-Administer Diabetes Care**
To be completed by the physician/provider, school nurse and the parent/guardian if your child is going to carry and self-administer insulin and/or perform blood glucose checks in the classroom.

Virginia Diabetes Council School Diabetes Care Practice and Protocol provides guidelines, accepted accommodations and references applicable to all students with diabetes. This document is available from your school nurse, the Department of Education Office of Student Services, or the Virginia Diabetes Council.

***Other **Diabetes Medical Management Plans** may be used for **Parts 2, 3 & 4** as long as all components are represented.

Return completed forms to the school nurse as quickly as possible. Thank you for your cooperation.
