Recommended Supply List for Chesapeake Online

While each student’s home school will provide specific need related to this supply list, there are some additional items parents may consider purchasing for their child. Having a dedicated space that is comfortable, free from distractions, organized, and equipped with the appropriate furniture (chair and desk) creates an environment conducive to learning. Since students in Chesapeake Online should expect to put in the same amount of time completing work as they would in a traditional on- campus course, it is essential for students to develop routines and have access to tools that will allow them to complete work efficiently. Supplies listed below are **optional**, but are recommended for student success.

<ul style="list-style-type: none"> Headphones USB storage device Power strip for a charging station A phone or tablet scanner app to create PDF documents using the device camera 	<ul style="list-style-type: none"> External mouse and extra batteries Blue light blocker glasses to help reduce eye strain Printer and supplies (ink, paper) Daily planner or calendar
<ul style="list-style-type: none"> Alarm clock/timer to alert students when it is time to login for a scheduled teacher-led video conference
