Virtual and/or Online Learning Supplies

Supplies listed below are optional, but are recommended for student success:

Headphones
External mouse and extra batteries
USB storage device
Blue light blocker glasses to help reduce eye strain
Power strip for a charging station
Printer and supplies (ink, paper)
A phone or tablet scanner app to create PDF documents using the device camera
Daily planner or calendar
Alarm clock/timer to alert students when it is time to login for a scheduled teacher-led video conference

Online and/or Virtual Tips

Having a dedicated space that is comfortable, free from distractions and organized creates an environment conducive to learning.

Online/virtual learning will have a schedule similar to being in a traditional on campus school day, it is essential for students to develop routines and have access to tools that will allow them to complete work efficiently.

Extras to provide brain/body breaks & mental health boosts

Stress ball - Squeeze during class or in between classes

Playlist - Make a motivational playlist to play between classes. Your favorite songs can serve as extra motivation

Jump Rope - Use it in between classes to get your heart pumping and to give your butt a break

Journal - Use a dedicated notebook to start each day by writing down your thoughts and feelings; use in between classes or at the end of the day

Yoga Mat - Use YouTube to learn stress-relieving poses and practice in between classes

Coloring book, crossword, or Sudoku puzzles - great ways to give your brain a break

Meditation or breathing, calming apps (with parent permission as some have a subscription fee) - apps like Calm, Headspace, and Smiling Mind may be useful

WE B.I. Stronger Together (even if we have to be apart!)
