

Welcome to Western Branch Middle School!

Are you new to the Western Branch area?
Welcome! We are glad to have you with us, and we hope you enjoy your time at our middle school.

In an effort to maximize your experience of being a Bruin, please give careful thought and priority to becoming involved in our school culture. In past years, students who have been successful reported their enjoyment with joining at least one club, sport, or music program, as well as attending one of our school-wide after-school events. It is our hope that through your participation in these organizations and events, as well as the interactions you have with classmates and the WBMS staff, that you will have the very best year of your life this school year. Please let us know if there is anything we can do to assist you in reaching this goal.

Dr. K. Khoshaba, *Principal*
