## ***SUPERINTENDENT'S MESSAGE TO GRADUATES***

Dear Graduate,

Today is a very special day for you and your family, as well as for Chesapeake Public Schools. As you eagerly anticipate the opportunities of the future, please take a moment to reflect with pride upon your academic and personal successes. This is a time to share fond memories and to celebrate the strong spirit of optimism all around you. It is, above all, a time for you and your classmates to take an important step that will lead to a productive and successful future.

Your graduation ceremony represents an important milestone in your life. During the past thirteen years, you and your classmates have encountered a number of challenges. With the help of parents, family members, teachers, and friends, you have met those challenges. In doing so, you have learned one of life's most valuable lessons; that is, the key to success often lies in an individual's ability to challenge oneself in order to reach his or her highest potential.

Whether you are entering the workforce, the military, or an institution of higher learning, I am confident that you are academically prepared for the world which awaits you. Whatever course your future takes, it is my sincere hope that you will look back on your years in Chesapeake Public Schools as having prepared you for success.

May you always experience the joys of a meaningful life, the respect of your fellow man, and the love of family and friends.

Sincerely,

Dr. Jared A. Cotton  
Superintendent

### **MESSAGE FROM THE PRINCIPAL**

Dear Graduates,

On behalf of the entire Oscar F. Smith High School family, I want to congratulate each of you for your accomplishments. This graduation ceremony is a means for us to publicly acknowledge the hard work and determination you have demonstrated during your school career. While each of you will pursue your own goals and interests, you will always be a part of our proud Tiger family.

Take a moment to thank those people who have helped you along the way. No one makes it through life without having a helping hand from someone, and it is always good to acknowledge their contributions to your success. Good luck to each of you as you pursue your ambitions, and congratulations again on your achievement.

Sincerely,

Paul Joseph  
Principal
