## \*PARENT SURVEY

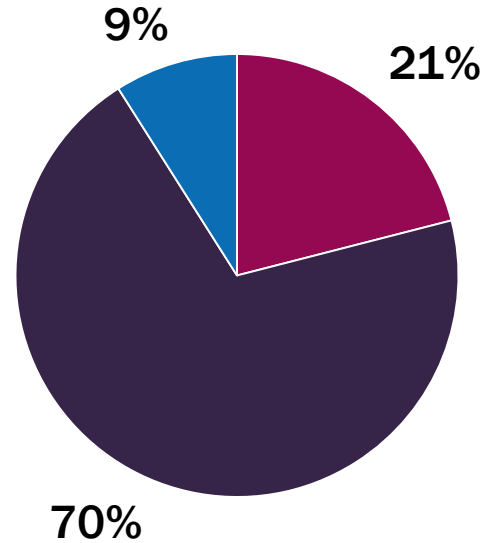

If schools are not able to resume full face-to-face instruction in the fall, please indicate which educational delivery option you would prefer for your elementary school student.

- All learning is conducted remotely via virtual delivery (i.e. scheduled videoconferencing class sessions and online activities)
- A hybrid model that allows students to participate in both face-to-face and virtual learning (i.e. students rotate between attending school some days and learning from home some days to reduce the number of students in the school at the same time)
- Uncertain at this time

## \*PARENT SURVEY

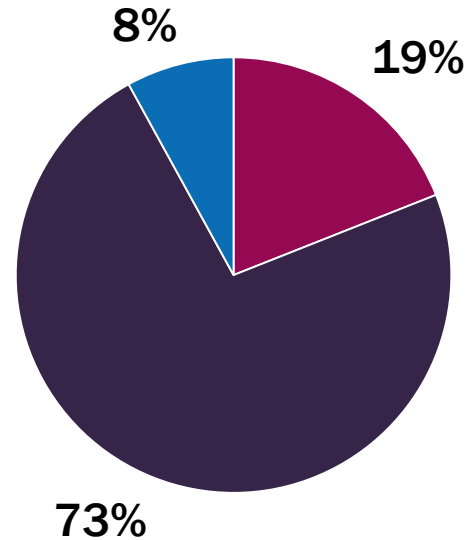

If schools are not able to resume full face-to-face instruction in the fall, please indicate which educational delivery option you would prefer for your middle school student.
